541-553-3272 / Fx 541-553-1376

Date: April 1, 2010

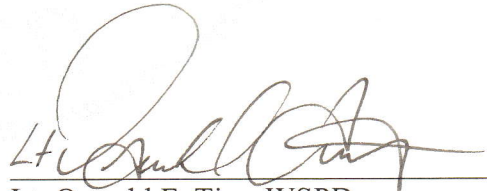

The Chief of Police and I, we would like to take this time to thank each and everyone of you for your contribution in getting our Radio Consoles replaced with new equipment. This has been a need for a very long time, the system began to go down a piece at a time. The police dispatch center is the hub of all Emergency Radio and phone contacts for this Reservation.

I was very glad that you all listened to me and understood the importance of replacing the equipment that was sure to go down completely and emergency communications would have been non-existent. I am glad that Lonny, Adam and Marsha jumped right on the request and got the paperwork changed to purchase the console equipment.

On top of all that, they also obtained the Repeaters in two different locations that will make a very big difference in our communications net. Thank you to all the ones I can think of right now that are in the TSG : Danica, Lynn, Don, Dan, Sal, Sue, April, Bill, Tod, Ken and the rest of the people that I did not mention.

You all made it possible.....Thank You !!!
